

# 2018-2019 Seed Catalog

## Thank You Very Much

### TO OUR MANY FRIENDS -

As we begin our 87th year, we start it off with a new look! After so many years of adding items and information, we realized that the type had become smaller and closer together. Let's face it, we all need a little help reading sometimes. On the computer or phone, we just change the setting to make the font LARGER. Not so easy with ink and paper!

So we changed a few things. First, we went to a color layout which will allow us to use contrasting colors for you to better see the varieties and special information. We also have combined all of the flowers together into one alphabetical listing. You will now see three sections : **FLOWERS, HERBS, VEGGIES**. We are hoping that by combining the annuals, perennials, grasses and vining crops into one alphabetical list, while still highlighting what category they pertain to, will make it easier to find items. We would love your feedback - please let us know what you think!

You will also see that we have begun incorporating more pictures into the catalog in order to highlight some of the very special items we offer. The addition of pictures in vegetables last year was a great success! Now as we continue to add more unique items, we will make it easier for you to get a snapshot of what it looks like.

We hope that these changes meet your expectations. We strive to continually improve every year in order to serve you to the fullest. The changes are endless, but all of them come down to better customer service and providing you the best products available. We stand by our motto that **Personal Service is the Foundation of our Business!**

Thank you for your continued confidence, best wishes for a healthy and prosperous year!
