

2019-2020 Seed Catalog

A Family Business Since 1932

TO OUR MANY FRIENDS -

As we begin our 88th year, we continue with a new look for our seed catalog! Last year we changed a few things. We went to a color layout which will allow us to use contrasting colors for you to better see the varieties and special information. Combined all of the flowers together into one alphabetical listing. You will now see three sections : **FLOWERS, HERBS, VEGGIES**. We are hoping that by combining the annuals, perennials, grasses and vining crops into one alphabetical list, while still highlighting what category they pertain to, will make it easier to find items. Plus more pictures! Incorporating more pictures allows us to highlight some of the very special items we offer and will make it easier for you to get a snapshot of what they look like.

This year brings over 150 new and exciting items to the seed catalog! Many new series being added and improvements to series and colors continue to make this catalog a trusted guide for your business. There is so much available in the market - if you do not see it in this catalog, please feel free to contact us and we will source it for you.

We have improved our online catalogs and ordering system to allow you to find products and order them easily, online and on your time table. Most of the varieties we carry have pictures available online for both seeds and plants - check it out at ORDER ONLINE at www.germaniaseed.com. We know you will be pleased with the ease of ordering that is available online.

The changes and improvements are endless, but all of them come down to better customer service and providing you the best products available. We stand by our motto that **Personal Service is the Foundation of our Business!**

Thank you for your continued confidence, best wishes for a healthy and prosperous year!
