**Plant Program
General Guidelines**

The following are some general guidelines to assist you in ordering young plants from us. As always, if you are interested in an item we do not list, please call and ask us about it. Due to space limitations and timing requirements, there are many items we carry that we could not include in the catalog. Requesting availability can be done through the phone or email and we will promptly advise you on availability and price.

Placing an order

In order to process your order quickly we would appreciate it if you could have the following information ready:

- Type of plant material desired.
- Plant #, size, and quantity for each item.
- Requested ship week (Please refer to the individual program for lead times to be sure we have enough time to fill your order).
- Preferred ship method. If you don't specify one, we will choose the safest, most economical shipping we can.
- May we substitute with a similar variety if an item you have ordered is not available?

How to Place an Order

Plant Program General Guidelines *This Catalog Is For Commercial Growers Only*

Lead Times: Lead times vary for different types of plants depending on time to grow the crop or time it takes to process and ship an order. Many long term crops are started before any orders are ever placed. Therefore, it is always best to book your orders as far in advance as possible to insure the best selection. (Ordering one year in advance is not at all uncommon.) If you do find yourself looking for some plant liners "at once," we will do our utmost to locate the product you need and inform you promptly of the availability.

Minimum Orders: We try our best to offer the lowest minimums on all our products. In most cases, this means one box. However, there are some exceptions. Please check each individual program for the minimum number of plants required to ship your order. Individual orders (not backorders) under \$300.00 will have a processing charge of \$25.00.

Pricing: Seed discounts do not apply to plant orders. We do offer volume discounts, early order discounts, and off-season shipping discounts depending on the supplier that best fills your needs. Please contact us for a quote.

All prices are subject to change without notice. We will do our best to inform you in advance should any unforeseen changes occur.

Labels: Germania Seed Company offers a complete label program of Pixie Tags, Thriftees and Stik Stakes. This is the most economical way to label your plants. In addition, many of our Germania Plant suppliers also offer tags for the plant varieties they grow as a convenience for our customers. Ordering plant tags with your plant orders can be an advantage when you only need a minimal amount or when trying to obtain labels for some of the more unusual varieties. Merchandising with a tag is important. If you can not locate a tag to fit your needs, please call our tag department.

Patented Items: Many of the vegetatively produced plant varieties are protected with U.S. patents. These varieties are labeled. Asexual propagation of these varieties is prohibited, except by permission of the patent holder. In some cases, a signed license agreement is also required to finish them.

Shipping: We ship plant material by several methods depending on the type of plant, the time of year, where you are located and where our grower is located. At this time our network of growers is limited to shipping within the United States. We are unable to ship outside of the U.S. Preferred carriers are Fed Ex and air UPS. If you have a preferred method, please indicate it on your order and we will do our best to accommodate you. We ship all plant orders early in the week to insure delivery prior to the weekend. Most orders are shipped FOB: origin. This means the merchandise becomes your responsibility as soon as it has been turned over to the carrier. The freight costs will be added to your plant invoice. In a few cases, our growers will ship to you freight prepaid (FOB delivered). This means we have included your freight costs into the price of the plants and

you will have no additional freight charges. Regardless of ship method, if damage occurs in transit, please refer to the claims section below.

What to do when you receive your plants: Unpack the boxes immediately and inspect for any damage or problems. Water if necessary. We ship many perennials in their dormant state in winter and early Spring. For these shipments, be sure to check for strong healthy roots as an indication of viability. If something still seems to be in error, see below for claims.

Claims: We always do our utmost to avoid problems when shipping live plants. However when a problem does occur, it is very important for you to notify us and the carrier immediately—usually within 24 hours in order to receive replacement plants or reimbursement. Failure to report a claim within this time period may result in delay or refusal of your claim.

For problems that appear to have occurred during transit:

- Visible damage should be noted either on the bill of lading or given directly to the carrier before signing for the shipment. Save the packing carton for possible inspection by the carrier at a later date. If damage is noticed after unpacking your shipment, please notify us immediately. Not all carriers will cover losses from concealed damage. Most of your plant orders will have insurance with the carrier to help in claims for this type of undisclosed damage. Customers utilizing the FedEx Signature Release Authorization make it extremely difficult for us to resolve transportation claims and may limit our ability to issue credit. Therefore it is extremely important for you to sign for all live plant shipments. Do not refuse any shipment. This limits our ability to help you recover your losses. If you refuse a shipment, you are guaranteed to be responsible for the cost of the order and the cost of the freight back to the vendor. Please do not refuse a shipment.
- Germania works with only the most reliable, quality oriented vendors in the country. However, when something does appear to be incorrect or in an unhealthy state:
- Please notify us immediately upon unpacking your shipment with anything that doesn't look right. We will then alert the grower to a potential problem. In the case of perennials, some plants may be in a dormant state. They will need time to come out of dormancy, but should outperform non-vernalized plants of the same size.
- Whenever possible, take photos. This helps the grower identify how your problem occurred.
- In all cases, Germania will work with you and the vendor to correct the problem to your satisfaction. This does not guarantee a full refund in every situation. We do reserve the right to deny a claim that is denied by our vendor or in the case of an unreasonable request.

Cancellations: Please see each individual plant program for cancellation policies. In most cases, cancellations cannot be accepted once the order is in production. We can help resell cancelled orders, but will invoice for any plants not resold.

Customer Communication: It is our intent to inform our customers of shortages, advance bookings, applicable early order discounts, and surplus inventories. At your request we will eliminate your name from these services by either e-mail, fax or telephone. In the event that you have made this request previously and are still receiving these calls, please contact Corky Kane at Germania Seed Company, at 1-800-380-4721 ext. 801.

Payment Terms: All plant prices are listed NET, based on your check with order, credit card (Visa, MasterCard, Discover & American Express), or for customers with approved credit, payment within 20 days. Our gross price which is 10%–25% over net will be applied to invoices outstanding after 20 days, depending on your orders.

We will be happy to process your order and charge it to your VISA, MASTERCARD, DISCOVER, AMERICAN EXPRESS or account at time of invoicing. Once an order has been invoiced, any payment with a charge card will be subject to a 3% convenience fee.

All invoices are due and payable 20 days after invoice date. Past due accounts are subject to a 2% per month late charge (24% annual rate). Applicable collection charges will be added to outstanding balances if it is necessary for an account to be turned over for collection and any action to secure this debt will be subject to attorney fees. A service charge of \$35.00 will be made for any check that does not clear through your bank. (Not sufficient Funds, etc.)

Condition of Sale: In lieu of all other warranties, expressed or implied, and liability for possible negligence, Germania Seed Company, Inc. warrants to the extent of the purchase price that the seeds, plants, supplies or accessories sold are as described by us within recognized tolerances. We expressly disclaim any warranty of merchantability or of fitness for a particular purpose. Under all circumstances and regardless of whether the claim is based upon contract, negligence, mistake, omission or otherwise, and regardless of the extent of the loss, our liability is limited to the purchase price. As a condition of such liability, we must receive notice by registered mail within 30 days after any defect becomes apparent.

Shortages and Delays: All items are offered subject to crop failures or shortages. We cannot be responsible for loss caused by delays in delivery from strikes, fire, casualty or any other causes beyond our control.

Quick Blocks! Like Kwik Kombos, but better! Bring in later, finish sooner!

Huge! 4"x6" Quick Blocks are triple-stuck with 4-5 week old 25mm liners that have been pinched and sprayed with a B-Nine®/Florel® application, then grown for another 4 weeks, pinched and sprayed again! Quick Blocks ship ready to branch out and quickly fill your containers after transplanting. Reduced growing time allows growers to realize more sales in the critical but limited spring window without building more greenhouses or putting up more basket lines. Containing only 3 plants per block rather than 6-9 found in typical baskets, Quick Blocks' baskets promote healthy liner spacing and reduced water stress.

Quick Blocks! Like Kwik Kombos, but better! Bring in later, finish sooner!

Huge! 4"x6" Quick Blocks are triple-stuck with 4-5 week old 25mm liners that have been pinched and sprayed with a B-Nine®/Florel® application, then grown for another 4 weeks, pinched and sprayed again! Quick Blocks ship ready to branch out and quickly fill your containers after transplanting. Reduced growing time allows growers to realize more sales in the critical but limited spring window without building more greenhouses or putting up more basket lines.

Containing only 3 plants per block rather than 6-9 found in typical baskets, Quick Blocks' baskets promote healthy liner spacing and reduced water stress.

Claims	Must be reported to Germania Seed Company within 48 hours of receiving plants. Photos are requested to aid in assessing claims when possible. Please take clear photos of any damage to the box and/or plants and include the tray label whenever possible. Certain varieties require supplemental light and temperatures in order to grow and perform properly; these will be marked and a 'Growing Recommendations' sheet will be sent with every applicable order. If these instructions are not followed, Swift cannot be liable for any losses or claims. Keep in mind that vernalized plants may arrive dormant and will need time to "green up". If you have concerns, let us know; we will be happy to file a preliminary claim, and wait for the plants to break dormancy before finalizing any claims. Swift Greenhouses will not honor any claims on plants shipped to Alaska or Canada.
Cancellations	Please, no cancellations can be accepted for 275's once production has begun. Cancellations for 50's can only be accepted prior to February 1, 2022. Also, no cancellations are permitted on 10 trays or more of one variety after they have been held and acknowledged for 3 months or longer.
Additional Info	A Note on 275/tr plugs booked from availability: Plants shipped at once from availability (overage) will not be patched and therefore may be down counted for actual plant count at time of shipping. These items may also be cooled for holding and may be dormant or semi-dormant with yellow or brown leaves; this is normal and will disappear with warm night temperatures above 65 degrees. A Note on Culture: Items with symbol require supplemental lighting and temperatures to finish properly. A "Growing Recommendations" sheet will be included with every shipment. If these instructions are not followed, it may impair our ability to honor any losses and/or claims. Prebooked 50's for late spring delivery: Swift is offering PREBOOKING for orders of 50 cell perennials shipped March 28 through May 6, 2022. These plants will be held dormant in cold storage for better scheduling of crops, to get predictable blooms throughout the season. As in the past, at once orders from availability will still be shipped during this time with no artificial cooling for as long as the plants can be sent safely. These will be billed with an additional 8¢ per plug Cold Storage Fee.
