Claims	<p>Must be reported to Germania Seed Company within 48 hours of receiving plants. Photos are requested to aid in assessing claims when possible. If these instructions are not followed, Swift cannot be liable for any losses or claims.</u> Keep in mind that vernalized plants may arrive dormant and will need time to “green up”. If you have concerns, let us know; we will be happy to file a preliminary claim, and wait for the plants to break dormancy before finalizing any claims. Swift Greenhouses will not honor any claims on plants shipped to Alaska or Canada.</p>
Cancellations	<p>Please, no cancellations can be accepted for 275 cell trays once production has begun. Cancellations for 50 cell trays can only be accepted prior to February 1, 2025. Also, no cancellations are permitted on 10 trays or more of one variety after they have been held and acknowledged for 3 months or longer.</p>
Additional Info	<p><u>A Note on 275 cell tray plugs booked from availability:</u> Plants shipped at once from availability (overage) will not be patched and therefore may be down counted for actual plant count at time of shipping. These items may also be cooled for holding and may be dormant or semi-dormant with yellow or brown leaves; this is normal and will disappear with warm night temperatures above 65 degrees.</p> <p><u>A Note on Culture:</u> Items with symbol require supplemental lighting and temperatures to finish properly. A “Growing Recommendations” sheet will be included with every shipment. If these instructions are not followed, it may impair our ability to honor any losses and/or claims.</p> <p><u>Pre-booked 50 cell trays for late spring delivery:</u> Swift is offering PRE-BOOKING for orders of 50 cell perennials shipped March 24 through May 16, 2025. These plants will be held dormant in cold storage for better scheduling of crops, to get predictable blooms throughout the season. As in the past, at once orders from availability will still be shipped during this time with no artificial cooling for as long as the plants can be sent safely. These will be billed with an additional 10¢ per plug Cold Storage Fee.</p>
