Boxing & Other Charges	Full boxes are in the customer's best interest to lower the freight cost per plug. Box charges will be added to invoice. A \$1.00/flat drench fee—not to exceed \$50 total—will be added for required shipments to states of MT & NE and grasses/sedges shipping to CO & NM. North Creek is now SANC certified by the USDA, so a phytosanitary fee no longer applies for the above-mentioned states. Phytosanitary fee of \$30 for orders shipping to Canada. A tariff will be applied to all varieties originating from countries that have an imposed tariff on the US. Any tariff that is in place at the time of the shipment would be added to the invoice as a separate line item and charged to the customer at the actual cost of the tariff at the that time. Due to the fluctuations of the tariffs being imposed, we are unable provide a precise amount at this time.
