

2020-2021 Seed Catalog

A Family Business Since 1932

TO OUR MANY FRIENDS -

We hope that this finds you, your family, and staff safe and well. We have been blessed with the fortune of good health and safety for our family here at Germania. We have worked tirelessly to create a safe environment for our team and all of the professionals delivering products to us and to you throughout this nationwide crisis. Continual sanitation, temperature checks, work space cleaning, social distancing and limited interaction with guests to our office has proven successful. We stand committed to provide the safest working environment possible.

For many, the Garden Center industry surprised itself with strong sales and consumer confidence. We are glad to have been able to stay open during these months and be able to supply you through it all. We can only hope that all of the new gardeners that have emerged will stick with it for many more years to come.

Vegetables, mixed containers, and hanging baskets have dominated the marketplace this Spring. Products that bring big color are at a high demand. It has been busy for us all, but certainly has been satisfying to see the customers still demand quality products and be willing to come out and shop.

As we begin our 89th year, we continue to be thankful for your orders and confidence in Germania Seed Company to serve you. We stand by our motto that Personal Service is the Foundation of our Business!

Thank you for your continued confidence, best wishes for a healthy and prosperous year!
