A Family Business Since 1932

To Our Many Friends and Wonderful Customers...

We hope this message brings health and safety to you, your families, employees and loved ones!

We have been blessed with the fortune of good health and safety for our family here at Germania. We continue to work tirelessly to create a safe environment for our team so that we can continue to be committed to offering the best quality products and the best customer service in the industry.

This season certainly came with challenges and we are thrilled to see that our industry continues to be strong and thrive. Adjustments are a necessity and forward, positive thinking is what keeps us moving and improving.

Vegetables and hanging baskets continue to dominate the marketplace. Rising food costs and fuel prices are keeping people close to home and wanting to grow their gardens. Products that bring big color are at a high demand. Disease resistance, adaptability and fresh flavors are driving the newest vegetable offerings. It has been busy for us all, but certainly has been satisfying to see the customers still demand quality products and a willingness to come out and shop.

A slightly different format to this catalog as we have consolidated many of our leading Plant & Plug Vendors with our Seed offering. This should allow you to receive the information and have one place to reference your needs. It is never too early to start your planning, customers who place their orders EARLY will avoid backorders and delays in delivery!

As Germania completes its 90th year, we appreciate your confidence in being able to serve you and we know that you have many choices when placing your orders . . . THANK YOU FOR YOUR BUSINESS!
